

European Environmental Legislation – RoHS (EU) Directive 2015/863

Hudson Technologies hereby certifies to the best of our knowledge based on the producing mill's test reports or other certification of compliance that our standard products are RoHS 3 compliant and do not exceed the designated levels of Lead, Cadmium, Hexavalent Chromium, Mercury, Polybrominated Biphenyls, Polybrominated Diphenyl Ethers, Bis(2-Ethylhexyl) phthalate, Benzyl butyl phthalate, Dibutyl phthalate or Disobutyl phthalate legislated under the provisions of the European Parliament and Council Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment ((EU) 2015/863) and regulations promulgated thereunder, collectively, the "RoHS Regulations."

Registration, Evaluation, Authorization and Restriction of Chemical Substances (REACH)

Products manufactured by Hudson do not contain any of the chemicals listed in the REACH Substances of Very High Concern (SVHC) list greater than 0.1% wt/wt. The element Lead, included on this list, is present in concentrations of less than 0.1% wt/wt. Nickel is present in many of our products with the base metals listed below. Annex XVII of REACH entry 27 restricts the use of Nickel and its compounds in jewelry (including watches) and articles intended to come into contact with the skin. Hudson manufactures custom deep drawn metal enclosures, case, header and metal diaphragms.

Material	Nickel % wt/wt	Material	Nickel % wt/wt
Cupro Nickel 715	30.93	Monel	63.5
Cold Rolled Steel	0.067	Nickel	99.58
Hastalloy	57.6	Nickel Silver	16.8
Haynes 188	22.0	Stainless Steel 304	8.22
Hy MU 80	80.2	Stainless Steel 316	10.0
Inconel 600	73.28	Stainless Steel 347	11.0
Inconel 625	58.0	Stainless Steel AM 350	4.5
Inconel 718	53.0	Stainless Steel 410	0.1
Inconel 750	70.0	Stainless Steel 17700	7.0
Kovar	29.0		

This document certifies to the best of our knowledge based on the producing mill's test reports or other certification of compliance that none of our standard products are subject to the European Union's regulation No. 1907/2006/EC concerning Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH). Therefore, our products comply with the guidelines stated in this directive as of July 1, 2020. Please refer to the following link for the most current candidate list of substances: <http://echa.europa.eu/candidate-list-table>
